madam: Don't be misled Cheap and Big Can Baking Powder is Only Big in Size - Not in Satisfaction - Not in Economy

A large can and a small cost does not make baking powder cheap—or even less expensive than Calumet—the high-quality, moderate-price kind. It certainly cannot make it as good. Don't judge baking powder in this way—the real test—the proof of raising power, of evenness, uniformity, wholesomeness and deliciousness will be found only in the baking.

CALUMET
BAKING POWDER

is a better baking powder than you have ever used before. And we will leave it to your good judgment for proof. Buy a can today. Try it for any baking purpose. If the results are not better—if the baking is not lighter, more delicious, take it back and get your money. Calumet is medium in price—but great in satisfaction. Free—large handsome recipe book, illustrated in colors. Send 4c and slip found in pound can.
